

Complaints policy

How to resolve a complaint

We are an organisation that strives to deliver exceptional customer service. We do acknowledge that at times we may not deliver on this commitment.

Receiving complaints is viewed as an opportunity given to us by a customer or applicant to review and improve what we do. That is why we take every complaint seriously. We have a team that strives to listen to the complaint from the perspective of the complainant to first understand the nature and significance of the complaint before determining an outcome that is fair for all parties.

This page outlines the way that you can make a complaint both internally and externally to the Australian Financial Complaints Authority (AFCA) and the timeframes we strive to meet to resolve any complaint.
